-----------------------------	---------------------------	------------------------------	-----------------------------------	---	----------------------	-----------------------------	---------------------------	----------------	------------------------

The new Amari series II now comes with an improved & quiet motor performance, while maintaining its high airflow to suit the warmer climate. An optional wall controller (hardwired) is available to purchase separately. You can also turn your Amari series II into smart fan by purchasing the smart receiver.

- Durable corrosion and UV resistant body and canopy construction with high strength moulded ABS blades
- The Windbreeze mode varies the fan speed to simulate a natural breeze effect.
- 6 speed remote control with light included.
- Reversible All-Seasons technology for use all year round
- Powerful 35W DC motor
- 24W dimmable & colour temperature adjustable light kit
- Easily change colour temperature (CCT) from warm white 3000K, cool white 4200K to bright daylight 6000K. (Via switch on LED array)
- Uses Brilliant's Quick Connect Plug System to reduce install time
- Suitable for coastal locations
- Optional wall controller & smart receiver available (sold separately)

APPLICATIONS

- Bedrooms, lounge and family rooms
- Indoors or enclosed alfresco areas not exposed to the weather
