Things to know before installation:

- This product **MUST** be installed by a Qualified Licenced Electrician.
- Select your desired ceiling location as your BrilliantSmart NEXUS Gateway Device works Line of Sight when operating selected devices.
- A surface mount power socket will need to be installed in ceiling cavity to power your BrilliantSmart NEXUS Gateway Device.
- A Ø83mm hole cavity will need to be made in a suitable ceiling location.
- This product can be retrofitted into an existing Ø90mm downlight cavity – (*Note: if installing BrilliantSmart Nexus Gateway Home Lite 21463 or BrilliantSmart Nexus Gateway Home Plus 21464 into an existing Ø90mm downlight cavity there may be visible gaps between ceiling, cavity and BrilliantSmart NEXUS Gateway Device).

Installation:

***Note: BrilliantSmart NEXUS Gateway must be installed in Line of Sight of devices to be controlled.**

- 1.Ensure power is turned off prior to installation in ceiling.
 - 2.Cut a hole in designated position in ceiling. Ø83mm. Fig 1.
 - 3.Remove BRILLIANTSMART NEXUS GATEWAY CEILING MOUNT ADAPTOR from packaging and dispose of waste thoughtfully.
 - 4.Remove BrilliantSmart Nexus Gateway mounting plate from the base of the Nexus – slide towards Micro USB Port and lift. Fig 2.
 - 5.Join together Adaptor and mounting plate using 2 x screws included in the Nexus Gateway contents. Secure firmly making sure screw heads sit flush Fig 3.
 - 6.Attach adaptor and mounting plate to Nexus Gateway device Fig 4. this is done in reverse order as point 4 Fig 2.
 - 7.Attach USB cable to power adaptor and to Nexus Gateway and feed through hole in ceiling and plug into surface mount power outlet. Fig 5.
 - 8.Lift spring clips of ceiling mount adaptor, guide through into ceiling.
 - 9.Adjust Nexus Gateway so it is seated neatly on the ceiling. Fig 6
 - 10.Restore power – Your BrilliantSmart Nexus Gateway is now ready to use.
- *NOTE – if this is the first time using the BRILLIANT SMART NEXUS GATEWAY please follow the setup quick guide supplied with the device. Each step will guide you through correct pairing procedures to the Brilliant Smart Nexus app.

NEXUS GATEWAY CEILING MOUNT ADAPTOR 21575

Warranty

Brilliant Lighting warrants this product against defects in manufacture and workmanship for a period of 2 years from date of purchase. This warranty is only valid for products installed by a qualified electrical contractor and operated within the guidelines specified by Brilliant Lighting, and within the correct operating voltage ranges as stated on the product's rating label.

Warranty does not include damage or loss arising from incorrect installation, operation or maintenance of this product, damage caused through modification, incorrect installation, service by unqualified or unauthorised personnel or lack of regular maintenance and cleaning. Proof of installation by qualified personnel may be required, eg. Electrical Safety Certificate. Proof of purchase must be supplied with all warranty claims.

This warranty is provided in addition to any other rights and remedies of the customer under any law. In applications not intended for household, personal or domestic use, liability is limited to replacement or reimbursement of product only.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if goods fail to be of acceptable quality and the failure does not amount to a major failure.

Any claim under this warranty must be made within 2 years of the date of purchase of the product. To make a claim under the warranty, take the product (with proof of purchase – receipt or similar) to the store where you purchased the product or contact Brilliant Lighting at the address below.

This warranty is given by:
