

Warranty

Brilliant Lighting warrants this product against defects in manufacture and workmanship for a period of 2 years from date of purchase. Warranty does not include damage or loss arising from incorrect installation, operation or maintenance of this product, damage caused through modification, or incorrect installation. Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if goods fail to be of acceptable quality and the failure does not amount to a major failure.

Any claim under this warranty must be made within 2 years of the date of purchase of the product. Refer to our website brilliantlighting.com.au for terms and conditions and warranty claims.

This warranty is given by:

Brilliant Lighting (Aust) Pty. Ltd. ABN 37 006 203 694

MADE IN CHINA

Warning

1. Please use the device as per instructions.
2. To prevent injury DO NOT open or tamper with internals of this device.
3. Transformer must be plugged into a weatherproof or indoor power outlet.
4. Transformer specifications must be noted as this will limit number of LED heads that can be used at all times.
24W Power supply = 8 heads per unit
36W Power supply = 12 heads per unit
60W Power supply = 20 heads per unit
5. Do not allow children to play with wall switch turning ON/OFF rapidly. This can cause the smart device to reset.
6. Power surge/power loss could possibly reset smart device. If this happens follow setup instructions.

Controller

20701/06 5A/12V Smart WiFi Controller

Before first using your new Smart WiFi Garden Light it is most important that you read and follow instructions supplied with the above products, even if you feel you are quite familiar with this type of product. Keep all relevant documents for future reference.

Caution

- If you are in any doubt as to the installation of this product, please consult a qualified electrical contractor before proceeding.
- This product works on 12V DC extra low voltage.
- Ensure total wattage of lights must not exceed the wattage of the transformer.
- There are no user serviceable parts within this kit.
- Care must be taken when spiking the garden light into surfaces so you do not damage electrical wiring and other hidden utilities that could cause injury to yourself.

Please dispose of the packaging thoughtfully.
