

DIY Pendant Cord Set

11640/06 - BLACK

Before first using your new Brilliant DIY Pendant Cord Set it is most important that you read and follow these instructions, even if you feel you are quite familiar with this type of product. Keep this document handy for future reference.

THIS FITTING CAN BE INSTALLED BY QUALIFIED PERSONNEL

For Your Safety

- The DIY Pendant cord set fits over standard B22 Ceiling Batten holders typically installed in Australian Homes.
- Ensure the power is OFF before the installation
- During use the light shade and globe will become hot.
- Do not install in a position where the fitting can be easily accessed by children or the infirm.
- Do not touch the globe with bare hands while it is 'ON'

INSTALLATION

ENSURE POWER IS SWITCHED OFF AT THE MAINS PRIOR TO INSTALLATION.

The unit is designed to fit most standard B22 Batten Holders typically installed on the ceiling in Australian homes.

1. Remove the product from packaging and dispose the plastic bag thoughtfully.
2. First remove globe (if fitted) from existing B22 Batten Holder.
3. Fit the B22 Adaptor Plug 'A' into existing Batten Holder 'B' on the ceiling. Ensure connection is firm and secure.
4. Slide canopy 'C' over Batten Holder "B" by gently pushing it upwards. Ensure the canopy seats firm against the ceiling.
6. Fit your existing pendant (not supplied) onto lampholder 'D' and secure it with lamoholder's skirt "E".
7. Install correct light globe .Ensure not to exceed 60W MAX.
8. Switch on the light.

WARNING

- Use only with existing ceiling B22 Batten Holders
- Ensure NOT to exceed the maximum allowable suspension weight of 2kg for the pendant.
- Do not exceed Maximum Wattage
- Ensure that the switch is in OFF position before changing light globe
- Light globes becomes extremely hot when in use. Always remove globes ONLY when they have cooled down to room temperature.

DIY Pendant Cord Set 11640/06 - BLACK

Warranty:

Brilliant Lighting warrants this product against defects in manufacture and workmanship for a period of 2 year from date of purchase. This warranty is only valid for products installed by a qualified electrical contractor and operated within the guidelines specified by Brilliant Lighting, and within the correct operating voltage ranges as stated on the product's rating label.

Warranty does not include damage or loss arising from incorrect installation, operation or maintenance of this product, damage caused through modification, incorrect installation, service by unqualified or unauthorised personnel or lack of regular maintenance and cleaning. Proof of installation by qualified personnel may be required, eg. Electrical Safety Certificate. Proof of purchase must be supplied with all warranty claims.

This warranty is provided in addition to any other rights and remedies of the customer under any law. In applications not intended for household, personal or domestic use, liability is limited to replacement or reimbursement of product only.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if goods fail to be of acceptable quality and the failure does not amount to a major failure.

Any claim under this warranty must be made within 2 year of the date of purchase of the product. To make a claim under the warranty, take the product (with proof of purchase – receipt or similar) to the store where you purchased the product or contact Brilliant Lighting at the address below.
